This mesh literature stand can be used as a catalog holder, brochure display stand, and flyer display stand, allowing potential customers to learn about your products and services. The mesh literature stands are amazingly lightweight and portable. The literature stand features 8 display pockets with a size of 9.5" x 12.0", giving you more than enough slots to place your flyers and brochures for guests and booth visitors. Designed from a durable coated mesh with reinforced pockets and an aluminum frame, this beautiful stand will last for years. Set up in seconds, just unroll and attach the back pole, and done. Packs into an incredibly small carrying bag that fits inside a briefcase. This stand is made from the highest quality materials and will last for years to come.
