Our deluxe roll up stand CRS400A is outfitted with the perfect combination of design appeal, durability, and value. The sleek Euro styling makes a quality impression in your display space. Supplied with a durable and well-designed carrying bag, it is a breeze to use at trade shows and promotions and is also ideal for exhibitions and presentations. The materials used in this display stand have been carefully chosen for lower weight, high quality, and greater usability. It has several smart designs and a compact base unit for easy transportation. The replaceable cartridge can be removed without needing to unscrew the base. The telescopic pole height is adjustable from 39" to 94". Recommended for indoor use only.
