- 1-year manufacturer warranty
- Black color available in 33"

CRS510 series come in several widths and this quality stand is built to allow repeated use with simple graphic changes. It comes complete with its padded carrying bag. It is designed for heavy duty use over long periods. The wide flat base makes this stand stable. This roll up banner stand features a stable design with adjustable feet for uneven surfaces. The replaceable cartridge can be removed without needing to unscrew the base. The materials used in this stand have been carefully chosen for lower weight, high quality, and great usability. The standard height is 79" but we can also custom make the pole at any height you need up to 86".
