Full color custom printed table throws and table runners are a great way to enhance your presentation to your display setup. Our custom printed table throws and table runners are heat transferred dye sublimated on 100% polyester for vivid color and extra durability. They are machine washable and wrinkle resistant. We offer table throws for 4ft, 6ft, and 8ft standard tables. We also offer full size, full size open back, fitted, fitted open back, fitted zipper back, stretch, stretch open back, stretch zipper back, corner pleated table throws, and table toppers. The most popular is the full size (four-sided draped style). It is quite forgiving on table size and gives maximum privacy for items stored beneath the table.
