- Single sided snap aluminum frame
- Grey PVC hard board backing
- Clear anti-glare overlay included
- Mount vertically or horizontally
- Available in round corner and square corner
- Screws and dry wall anchors included
- 1-year manufacturer warranty

Non-illuminated aluminum poster frames are well adapted by many businesses, such as retail stores, coffee shops, restaurants, supermarkets, department stores, hair salons, movie theaters, pharmacy stores, hotels, dental offices, banks, spas, and so on. All four sides of the snap frames are spring-loaded to "snap-open" by hand. Aluminum poster frames are a cost-effective approach to promoting products and services while creating efficient marketing results. We offer various sizes of snap poster frames in matte silver and also in round corners or square corners. The black color is also available in certain sizes. Recommended for indoor use only.
