- Aluminum clamp top bar
- Heavy duty aluminum construction
- Accepts 2 banners
- Heavy duty spring system
- 1-year manufacturer warranty

This outdoor banner stand is large, robust, and engineered for superior stability. It features a double-sided, retractable display and is equipped with two oversized twist-lock feet, a three-piece bungee pole, and ground stakes for secure anchoring. Ideal for outdoor exhibitions, trade shows, and marketplaces, the ground stakes can be installed in soft surfaces such as gravel, dirt, or lawn. The stand is also suitable for indoor use. Easy to assemble and dismantle, it includes a carrying bag for convenient transport and storage. Designed to withstand light wind conditions, this banner stand is an excellent choice for outdoor signage. Its double-sided visibility ensures passing pedestrian traffic can easily view the display from either direction.
