Chalkboards are built of a high quality pine wood frame and scratch resistant MDF writing surface. The black chalkboard can be removable. 2 different signs on the board can be designed and reversed when needed. The chalk blackboard can be written on with both chalk and erasable markers. Erasable markers are included. This double sided wood frame sandwich board is lightweight and easy to carry. Perfect for restaurants, coffee shops, and retail shops. They are a hallmark in coffee shops, smoothie shops, and other food and restaurants that frequently change menus. Recommended for indoors and covered outdoors but not recommended in extreme heat and high winds.
